A Decided Success

Our Corset Department is conducted with the idea of making it a service department, and it is a decided success.

Our saleswomen are trained to fit carefully and correctly, and when making our selection from various lines, we select models only after a thorough study to discover those most satisfactory.

You will find at all times a most complete assortment of the following well-known makes

Gossard FRONT LACE Corsets
Warner's RUST PROOF Corsets
P. N. Practical Front Corsets
Redfern and Ferris Corsets

Results have proved that our plan was correct. Many customers because of the personal, almost intimate, attention they receive patronize our Corset Department, and they invariably return.

We would appreciate the opportunity to extend our Corset services to you.
